

TGR LEARNING LAB FALL 1 2020 VIRTUAL CLASSES

September 8 – October 15
Registration Deadline: **September 2, 2020**

At the TGR Learning Lab, we are focused on opening your mind to potential careers and college majors available to you. Instructors at the TGR Learning Lab, Anaheim site will be offering Fall 1 virtual after school classes for students in grades 6-12. We ask that by registering, you understand this is a six-week commitment to yourself and your future. Your next step is to select the course(s) you would like to participate in and register using the Eventbrite links listed below.

Our Expanded Learning classes will be offered on either Monday/ Wednesday or Tuesday/Thursday. Classes will be offered 4:00pm-5:00pm EDT and 5:30pm-6:30pm EDT.

Technology Requirements:

To participate in virtual Fall 1 classes, each registered student will need a computer or device with internet connection. The Zoom video conferencing platform will be used to conduct the class, so this software needs to be download prior to the class. It is also highly recommended that students have a webcam and microphone so that s/he can be active participants in the class. Some classes may require a tablet/cell phone to participate in certain activities.

Once a student has registered, a separate email will be sent with safety and security guidelines to review as well as Zoom access information a week before the class begins.

If you have any questions or concerns, please email gbell@tgrfoundation.org.

We hope to see you virtually this fall!

Photography: Visual Storytelling

A single photograph can capture a precious moment in time, change a perspective or even move a nation towards positive change. By creating your own themed digital photo essay, we will explore how to capture photographs (with your mobile device) that tell a story, while using key photography composition techniques. Develop your ability to communicate creatively and critically as a visual storyteller, which will enhance the visuals in school projects, social media posts, a starting portfolio for a career in digital media and more!

Additional Technology Requirements:

- Laptop/computer with internet access (webcam and microphone highly suggested)
- Mobile photo-taking device (cell phone or tablet) with internet access
- Goosechase, MoShow & Animoto apps downloaded (free apps)
